- **Published Books & Articles:**
- Book titled Messianic Jews and the Law of Moses, e-published and available

for download from this web site, is a study of how Jewish believers in Jesus are to relate to the biblical commands of the Old Testament. It is of interest to all believers – both Jews and Gentiles – seeking insight into the tension between grace and law.

- Book titled The Cross, Self-Denial and the Manifestation of the Sons of God, e-published and available for download from this web site – gives balanced scriptural analysis of the manifested sons doctrine and the role of self-denial in qualifying believers to be released into manifested sonship. It features insights into both eschatology and sanctification. The book provides practical teaching on what it truly means to take up one's cross daily.
- Book titled Overcoming Through Self-Denial, published by Harvest Time Tabernacle, Apopka, Florida, 1985, is a study of the biblical doctrine of self-denial and how it contributes to the believer's growth unto maturity in Christ. This was later revised, much expanded and retitled "The Cross, Self-Denial and the Manifestation of the Sons of God" (see above).
- Book titled **Lawful or Legalistic: How New Testament Believers Must Understand Old Testament Laws** recently published by Xulon Press, Longwood, Florida, USA is similar to Messianic Jews and the Law of Moses (see above) but is geared more for the Gentile reader though Jewish believers will certainly find it relevant. - Bill currently writes a series of articles called "Defending the Faith" which, as the title suggests, defend the Christian faith from the many attacks leveled against it in our postmodern world. The articles deal with such topics as evolution, UFOs, cults, modern/postmodern philosophy, liberal theology and popular culture. At the end of each article is an invitation to receive Christ as Savior and Lord. These articles are sent out over the Internet to several opt-in email lists. People who receive these articles are encouraged to resend them to their own lists and in this way reach their own unsaved relatives and

friends with the Gospel. To receive these articles which are sent out once per month fill in the form at the bottom of this page.
